Whereas, Alzheimer's disease is an irreversible and progressive brain disease that slowly erodes precious memories, thinking skills, and the ability to perform simple tasks; and

Whereas, worldwide, nearly 44 million people have Alzheimer's or related dementia; and

Whereas, in the United States, there are 5.3 million people living with Alzheimer's disease and unless a cure is found it is estimated that as many as 16 million will have the disease by 2050; and

Whereas, nearly two-thirds of those with Alzheimer's disease are women; and

Whereas, Alzheimer's is the 6th leading cause of death in the United States; and

Whereas, the Alzheimer's Association is the world's leading voluntary health organization in Alzheimer's care, support and research, with the vision of a world without Alzheimer's disease; and

Whereas, as the Town of Harrisburg offers its support to those living with Alzheimer's disease, we also recognize those who care and provide for them, sharing their loved one's emotional, physical and financial strains. We honor their compassion, remember those we have lost, and press toward the next great scientific breakthrough,

Therefore I, Steven J. Sciascia, Mayor of the Town of Harrisburg, North Carolina, do hereby proclaim September 21, 2015 as

Alzheimer's Awareness Day

in the Town of Harrisburg and call upon its citizens to learn more about Alzheimer's disease and to support the individuals living with this disease and their caregivers.
